World Kata Championship IJF Judo Show Cup

Message from IJF President

Although relatively new in the calendar of judo competitions, the Kata competitions have already become popular amidst judo practitioners and fans all over the world.

The Kata World Championships are an important moment of the year and we are sure that all the participants will enjoy the competition.

The International Judo Federation thanks the Judo Federation of Malta for organizing this event and congratulates all those involved for their hard work and reliability.

I personally wish all the judoka a good competition and beautiful achievements.

Marius L. Vizer
President
International Judo Federation

World Kata Championship

IJF Judo Show Cup

Message from Host Country President

A few years ago, Kata was only a requirement for grading purposes and very little appreciated by the majority of our Judo membership. Most of the judo competitors never even studied it. After the European Judo Union started giving it more attention, thanks to the initiative started by the then Vice President of the EJU Sergey Soloveychik, now president, and with the support of our President Marius Vizer that we should give more attention to Judo-for-All. More Federations are now discovering the beauty and the importance of Kata. We now have a more complete Judo covering Shiai in Competitions, Randori in Training Camps and Kata now at world level.

I have seen and have been involved in the development of these championships and the various experiments, trials and tribulations at continental level. My friend Franco Capelletti, always in consultation with our colleagues of the Kodokan, has gone through the difficult process of the codification of the styles and rules of judging Kata competitions. The Malta 1st World Kata Championships should culminate the work of Franco in this important section of our sport. We should also be grateful to Sensei Shoji Sukijama for the untiring effort in seeking the perfect Kata Judging System and in simplifying the Judging Techniques.

I thank our President Maris Vizer for his vision and constant perseverance in keeping our sport amongst the top Olympic Sports and in his support in the concept that Judo is not only a great Olympic Sport, but also what Jigaro Kano wanted it to be, a great education tool. In this concept we find a great believer the other great Judoka, Jean Luc Rouge, my boss in the IJF DPM Commission. I have also to mention my other colleague Mohammed Meridja our Education Director who also supported the development of Kata worldwide.

I welcome you all to Malta and thank you for accepting our invitation. I hope your visit will be enjoyable and memorable.

Envic Galea
President
Malta Judo Federation

Each Kata will be divided in two groups: the top three pairs with the maximum points from each group (that is 6 pairs for each kata) will compete in the finals. The finals will be done on one mat. If the Number of pairs is less than 10, there will be only one group: the top 6 pairs of the group will compete in the final. For each Kata the pair with the maximum points will be awarded the gold medal, the couple with the second least points will be awarded the silver medal; and the third, the Bronze medal. All the participants will receive a certificate for participation.

2.2. POINT SYSTEM

Each judge will award points on the official IJF scoring sheet. The Maximum points and the Minimum Points awarded for each technique (included open and close ceremony) are cancelled and the remaining three are totalled to get the final score. Each technique is evaluated with the following method:

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points.

The positive score is decreased according to the following mistakes:

- **Small:**
 - Value of mistake - 1
 - Maximum number of crosses - 2
- **Medium:**
 - Value of mistake - 3
 - Maximum number of crosses – 1
- **Big:**
 - Value of mistake - 5
 - Maximum number of crosses – 1
 - Small and Medium mistakes can be added if necessary
- **Forgotten Technique:**

 - If there is more than 1 forgotten technique, the score of the technique is 0 but the total score will not be halved again. If the halved value is decimal, the score is rounded down.

A global evaluation of the Kata will be given from **0 to 10** according to:

- Fluidity, Course and Rhythm

Right and Left techniques for Nage No Kata will be evaluated globally (only one score)

In case of equal score between the pairs, the following criteria will be applied:

- If couples still have equal score:
- Total value of medium mistakes – wins who does less mistakes
- If couples still have equal score:
- Total value of small mistakes – wins who does less mistakes
- If couples still have equal score:
- The score of fluidity, course and rhythm will decide – wins who has a better score
