The anti-doping control will take place after awarding ceremony.

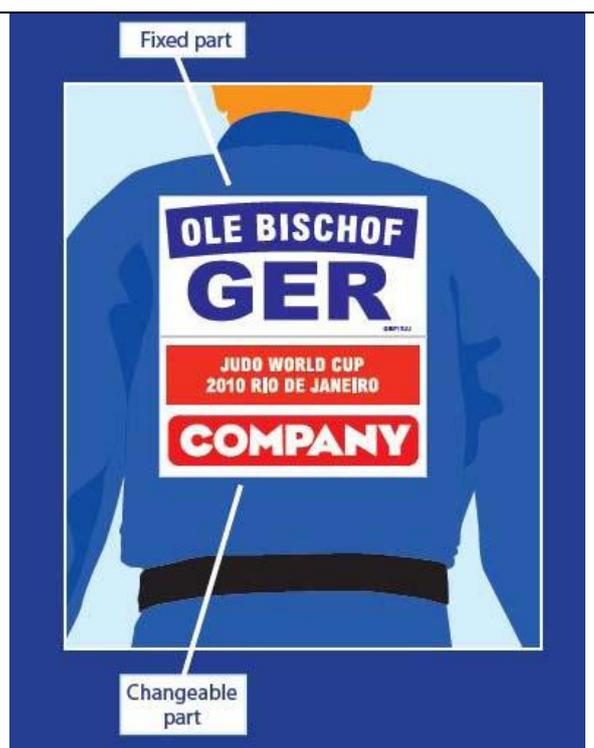

Judogi: Blue & White Judogi is obligatory, Judogi control according to Sokuteiki rule.

Back numbers: The Back Number is divided in 2 sections.

The top part of the back number consists of the Surname and Country of the athlete. Should the athlete report to the competition without the official licenced EJU backnumber for Name and Country patch, the athlete will not be allowed to compete. These back numbers can be ordered only from **www.mybacknumber.com**. It is important to note that production and delivery takes around 4 weeks.

It is the duty of the participating federation / athlete to order this part of the back number in time.

1. Each competitor taking part in the EJU events is obliged to have on the back of his judogi the official back number made up of two parts: the FIXED upper part, consisting of the Surname and the National Olympic Abbreviation; the CHANGEABLE bottom part consisting of the event name and the sponsors, unique for each event.
2. The participating athlete / federation is responsible for ordering and sewing of the FIXED part of the back number, which must be the official EJU / IJF one. It should be ordered from www.mybacknumber.com. Production and delivery takes around 4 weeks.
3. The CHANGEABLE part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number. In case the participating federation sends fewer athletes than registered in the numerical entry, the federation will be charged the cost of the back number of all cancelled athletes.
4. The athletes must arrive at the competition hall with their back numbers already sewn on the judogi
