INDIVIDUAL EUROPEAN CHAMPIONSHIPS U23 MEN AND WOMEN

INTRODUCTION BY FEDERATION PRESIDENT

Dear friends!

On behalf of the Judo Federation of Russia I am pleased to welcome guests and competitors of the European Judo Championships in Tyumen.

Judo is rapidly develops on our continent. It happens mostly due to the attention of the European Judo Union leadership to issues of our sport promotion. A few years ago competitions among athletes in the age of 23 years became a part of European Judo calendar and the number of their participants is increasing annually, as well as skills of young European judokas.

Traditionally, the European Championship is a prime sport event in the calendar. On the competition result champions will be determined who will defend the national colors on the European and World Championships, Olympic Games in the near future. The spirit of fair competition will give special brightness and intrigue to the European Championship. For the first time in history the honor to head the youth judokas tournament of the Old World has been entrusted to the Russian city of Tyumen.

I am sure that competition will become a truly breathtaking sight and will give new impetus to the development of judo, not only in the region, but in whole Russia.

I wish to say special thank to the Governor of the Tyumen region Mr. Vladimir Yakushev and to the Region's Administration for the support of judo and comprehensive assistance in organization of judo competition in Tyumen.

Vasiliy Anisimov
President
Russian Judo Federation
