### Back Numbers

Each competitor taking part in the EJU events is obliged to have on the back of his judogi the official 2011 EJU / IJF back number. The 2010 EJU / IJF back number will only be accepted in European Cups until 31st December 2011. The participating athlete / federation is responsible for ordering and sewing of the back number, which must be the official EJU / IJF one. It should be ordered from [www.mybacknumber.com](http://www.mybacknumber.com)

Production and delivery takes around 4 weeks.

The SPONSOR part - if needed – will be given to the delegations during the registration process, and athletes can stick it themselves using the special glue on the backnumber.

In case the participating federation sends fewer athletes than registered in the numerical entry, the federation will be charged the costs of the backnumber of all cancelled athletes.

New back identification of athletes 01.01.2011
