Judogi: Blue & White Judogi is obligatory. Judogi control according to Sokuteiki rule.
All Judoka must compete in IJF Approved Judogi.

Back Numbers: The Back Number is divided in 2 sections.

The top part of the back number consists of the Surname and Country of the athlete.
Athletes reporting to the registration desk of the competition without the official licensed EJU backnumber for Name and Country patch will not be allowed to compete.

These back numbers can be ordered only from www.mybacknumber.com. It is important to note that production and delivery takes around 4 weeks.

It is the duty of the participating federation / athlete to order this part of the back number in time.

1. Each competitor taking part in the EJU events is obliged to have on the back of his Judogi the official 2011 EJU / IJF back number. The 2010 EJU / IJF back number will only be accepted in European Cups until 31st December 2011.
2. The participating athlete / federation is responsible for ordering and sewing the back number, which must be the official EJU / IJF one. It should be ordered from www.mybacknumber.com. Production and delivery takes around 4 weeks.
3. The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number. If the participating federation sends fewer athletes than registered in the numerical entry, the federation will be charged the cost of the back number of all cancelled athletes.
