This seminar will gather all the Education responsables of the countries. It will be a good opportunity to present the EJU Education program (judo for children, judo for teenagers, judo for adults, judo culture, judo defense, kata, disables and social, judo for health), to share and exchange pedagogic experience between different countries on the mat, all in judogi.

During this seminar we will define together the needs and the means to develop judo by EJU member federations.

We guarantee a good quality of pedagogical and technical intervention by the EJU experts in their field.

The competition France - Japan solidarity will be organized on the 23rd September 2011 at 20:00 in Paris Bercy. This action will be supported by the EJU. It will be a good opportunity for you to assist to this competition as well.
