

To the All Japan Judo Federation

*Moscow, March 11, 2011*

Dear friends,

On behalf of the EJU I am writing to extend our deepest sympathies to you and all the Japanese people in these difficult times. We were so very sad to hear about the unexpected earthquake and tsunami which took many lives of innocent people in Japan.

Families of those who lost their relatives and friends in this tragedy are in our thoughts and prayers.

Sincerely yours,
