KATA EUROPEAN JUDO CHAMPIONSHIPS

Herstal 2015 - Belgium

WORDS OF WELCOME

Sergey Soloveychik
President
European Judo Union

Dear Participants and Officials!

On behalf of the European Judo Union I would like to welcome you to the 10th edition of the European Kata Championships. This is a special occasion that underlines the enduring legacy of Kata and its importance in the history of judo.

Judo conveys strong values and principles that are well illustrated by the practice of Kata. I am glad to see that not only are the levels and numbers of European athletes practicing Kata increasing, but also the quality of Kata performances by Europeans is improving. Last year at the 6th edition of the World Kata Championships (WKC) in Spain the EJU was represented by 13 out of 28 nations and by 69 out of 111 pairs, and for the first time in the history of the WKC a European pair won the title of World Kata Champions.

I warmly congratulate and thank the Judo Federation of Belgium and the Organising Committee for their enthusiastic approach and efforts in the organisation of this event. I consider it to be a very important contribution to the perpetuation of the spirit of judo and the respect of the traditions and values of the Olympic sport.

I wish the very best of luck to the participants and officials involved. At the same time I would like to encourage judokas and judo fans to follow this competition, to learn something new and even improve their judo and its understanding.

Michel Bertrand
President
Royal Belgian
Judo Federation

Dear judo friends,

It is with great honour I invite you to the 10th Kata European Judo Championships, Herstal 2015.

In 10 years of time, the Kata has found his own place as a sport of competition. This is a sign of his flourishing health. The Kata is the meeting point between the modernity of the competition and the traditional values of our sport. The execution of a Kata is the reflection of the mastery of the movement, but also of a perfect communion of spirits between two partners. Through this European competition, we aim for every participant to be a worthy representative of the general values of judo: JITA KYOEI.

By hosting you in Herstal, the Royal Belgian Judo Federation is proud to participate to the development of this sport of great precision. I would like to express my gratitude to the European Judo Union for trusting our country with the organization of this event.

I'm convinced that these 10th Kata European Judo Championships will be a great celebration of our sport.

**KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS
RANDORI NO KATA EUROPEAN JUDO CUP/ JUDO SHOW EUROPEAN JUDO CUP**

The Competition will be judged by EJU qualified Kata Judges.

The number of judges per Federation is limited to:

Participating countries may enter 4 Judges.

Non participating countries may enter 2 Judges.

The EJU KATA COMMISSION may decide on the number of Judges according to the entries.

Each participating Federation having qualified EJU Judges has to enter at least one judge. Only the judges entered by their Federation can judge. The costs for travelling, board and lodging of the judges are at the costs of the member Federation.

Inscriptions of the Judges have to be sent to the EJU General Secretariat by the date stipulated in Section 5. An inscription form is enclosed as Form 3.

3.2 JUDGES' MEETING

All Judges have to attend the technical meeting the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

3.3 POINT SYSTEM

**KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS
RANDORI NO KATA EUROPEAN JUDO CUP**

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique – score is Zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium Mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a big mistake, the minimum score has to be 5.

If there is a big mistake in the Kata (including the bow), the score must not be more than 5.

In the Nage no Kata, right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of the 5 Judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered. - wins the pair who makes less mistakes;
- If still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes;
- If still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both place 3rd place after the above mentioned criteria, the kata will be repeated in order to assign the medal.

RANDORI NO KATA EUROPEAN JUDO CUP

Even if the Kata is not complete, the pairs have to execute the closing ceremony.

3.4 JUDO SHOW EUROPEAN CUP

The show will be judged on the following criteria:

- efficiency
- precision and variety of the techniques
- choreographies
- originality

The total points accumulated will be the final result.

3.5 SYSTEM OF JUDGING

KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS

RANDORI NO KATA EUROPEAN JUDO CUP

The Judges are five and will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three Judges will be totalled to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five Judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same Nation. The position of the five judges will be the same for all the competition.

A Judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple in the competition area.

The judge in the Centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the Start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

Any behavior of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

3.6 COMPETITION AREA

The Competition area has dimensions 8 x 8 meters (minimum) or 10 x 10 meters (maximum) and shall be covered by Tatami or similar acceptable material. The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. A strip of visible color adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the center of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The center of the Competition area shall be indicated with a strip adhesive tape of the same color.

KATA EUROPEAN JUDO CHAMPIONSHIPS

Herstal 2015 - Belgium

3.7 INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition. In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped and the athlete will be assisted by a Doctor out of the competition area. The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new Minor injury happens at the same athletes during the second execution of Kata, the couple will be considered out of competition. In the case that Minor injury happens after a forgotten technique, the couple will be considered out of competition.
