## COMPETITION RULES

## WORDS OF WELCOME

Sergey Soloveychik  
President  
European Judo Union

Dear Judo Friends!

On behalf of the European Judo Union I am delighted to be able to extend a very warm welcome to all of you on the occasion of what will undoubtedly be the most important and eagerly awaited judo event of this year - the Senior European Judo Championships that will take place in the city of Prague.

I wish to express my gratitude to the Czech Judo Federation for the colossal work done and all the efforts made to make this tournament take place given the unprecedented circumstances. Quarantine and covid-19 have brought the judo family even closer together, demonstrating judo's capacity for teamwork and our sport's ability to overcome difficulties together and adapt to new situations.

Whilst we are of course happy that we can finally get together, meet our friends and once again enjoy judo, the safety of our athletes and all those involved remains of utmost importance and our first priority.

The Czech Republic has a long and rich history of staging a variety of high-profile judo events in the European judo calendar such as Cadet, Kata, U23, Veteran European Championships, Junior and Cadet Cups. The Czech judo has a fine tradition and big results of Olympic, world and European scale, I would like to congratulate once again the Czech national federation and entire judo community with the World champion title of Lukáš Krpálek.

The EJU is extremely grateful to the Czech Judo Federation and the event's organising committee for ensuring the governmental support to our flagship event as well as for the great work done towards securing an enjoyable and unforgettable Judo Festival that I am certain will be held at a very high level.

This is an excellent opportunity for our athletes to rekindle their passions, refocus their energies toward their Olympic dream. Therefore, I trust that these championships will act as a stepping-stone for the future successful performances of our strongest athletes. I wish all the participants impressive results and, thanks to modern technology, may all viewers of our online broadcast experience the most enjoyable and spectacular entertainment.

Jiří Dolejš  
President  
Czech Judo Federation

Dear International Judo Family,

On behalf of the Czech Judo Federation, I am honoured to welcome all of the officials, athletes and coaches to the European Judo Championships 2020 in the Czech Republic. 2020 has been a demanding year and all of us have faced moments of hardship and uncertainty. Hosting the European Championships in Prague, the gem of Central Europe, has been our long awaited dream and we feel proud of making that dream reality despite all the unexpected setbacks we have encountered. Judo in the Czech Republic has been experiencing its most successful period and is steadily becoming more and more popular. Its increasing popularity shall now finally culminate in the European Championships and we hope that that this event will help the Czech Judo to develop further. One of the key aspects in the life of a judoka is overcoming obstacles, of which we have all had plenty lately. We hope that this tournament will serve as a symbol of our unity in these difficult times and that the adversity will help us grow further.

We would like to thank the Czech Government, the City of Prague, and all of our sponsors and partners for their support.

Dear Judo Friends, on behalf of the Czech Judo Federation, may you have a successful tournament that you will never forget.

The jacket and the trousers must be of the same brand (belt can be of a different brand).

### Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

### Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for **own sponsors of the Federation or Judoka or EJU Suppliers, BUT not for any other Judogi supplier.**

The space on the right chest (5cm x 10cm) can be used by federations and their Judoka for their own sponsors. The logo of a Judogi brand can only be used, if it corresponds with brand of the Judogi itself and if it is of an EJU Supplier.

**Please note:** On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules (see IJF SOR Appendix C).

Detailed information is available on <http://www.eju.net/statutes>.

### Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.
