COMPETITION RULES

KATA EUROPEAN JUDO CHAMPIONSHIPS

Koper 2018 - Slovenia

WORDS OF WELCOME

Sergey Soloveychik
President
European Judo Union

Dear Judo Friends,

On behalf of the European Judo Union I am delighted to welcome all participants and guests to the European Kata Championships here in Koper, Slovenia.

As ever, I take this opportunity to thank the organizers for taking the responsibility of holding this important event. I have every confidence that this tournament will be staged at a highly professional level as has been the EJU's experience here in Koper in the past.

The importance of kata is sometimes lost by many for whom shiai takes precedence. And yet the practice of kata provides us with all the tools for a better understanding and appreciation of all aspects of our chosen sport. Indeed, many features of judo are to be found only within kata making the study and practice of kata essential for all who wish to progress in judo.

I sincerely wish all the participants and spectators strong health, good luck and happiness!

Darko Music
President
Slovenian Judo Federation

Dear athletes and judo lovers!

It is wonderful to, once again, be part of a story that contributes to a collage of the successful work done by our sports organizations.

It is a great honor to be chosen once again by the EJU to organize and carry out the European Kata Championship. We first organized this event in 2012, however, that was not our first time organizing a major sporting event. The first European Championship in Slovenia took place in 1997-a European Youth Championship. We successfully carried out the same caliber of competition again last year in Maribor.

Why katas? We all reach a point where we start to wonder about the beginnings and origins. That is what katas represent. They highlight the morals and basics of the sport that dictates our lives. Looking from another point of view, judo emphasizes perfection, history and essence. We promise to strive towards that perfection when organizing the European Championship, which will take place in Koper.

Come and visit Koper, visit Slovenia and be a part of this story with us!

I am looking forward to seeing you all,
Darko Mušič
President of JZS

RANDORI NO KATA EUROPEAN JUDO CUP/ KOSHIKI NO KATA EUROPEAN JUDO CUP/ JUDO SHOW EUROPEAN
JUDO CUP**

The competition will be judged by EJU qualified Kata judges.

For the Koshiki No Kata National qualified judges can be added.

KATA EUROPEAN JUDO CHAMPIONSHIPS

Koper 2018 - Slovenia

The number of judges per federation is limited to:

participating countries may enter 4 judges.

non participating countries may enter 2 judges.

The EJU KATA COMMISSION may decide on the number of judges according to the entries.

Each participating federation having qualified EJU judges has to enter at least one judge. Only the judges entered by their federation can judge. The costs for travelling, board and lodging of the judges are at the costs of the member federation.

Inscriptions of the judges have to be sent to the EJU Head Office and organiser by the date stipulated in Section 5. An inscription form is enclosed as Form 3.

3.2. JUDGES' MEETING

All judges have to attend the technical meeting in the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

3.3. POINT SYSTEM

KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS RANDORI NO KATA EUROPEAN JUDO CUP

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique – score is zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again. If the halved total value is not a whole number, the score will be rounded up.

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a big mistake the minimum score has to be 5.

For every technique without a forgotten technique, the minimum score has to be 1.

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the "correction value" a "+" or a "-".

For every technique without a big mistake the minimum score has to be 4,5.

If there is a big mistake in the Kata (including the bow), the score must not be more than 5.

In the Nage-no-Kata right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins those who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both are placed 3rd after the above mentioned criteria, the Kata will be repeated in order to assign the medal.

RANDORI NO KATA EUROPEAN JUDO CUP

Even if the Kata is not complete, the pairs have to execute the closing ceremony.

3.4. JUDO SHOW EUROPEAN CUP

The show will be judged according to the following criteria:

- efficiency

KATA EUROPEAN JUDO CHAMPIONSHIPS

Koper 2018 - Slovenia

- precision and variety of the techniques
- choreographies
- originality
- traditionality

The total points accumulated will be the final result.

Accessories: only traditional Kata weapons are allowed during the demonstration.

3.5. SYSTEM OF JUDGING

KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS RANDORI NO KATA EUROPEAN JUDO CUP / KOSHIKI NO KATA EUROPEAN JUDO CUP

The amount of judges is five and they will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same nation. The position of the five judges will be the same for the whole competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple to the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

Any behavior of Tori or Uke inside the competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

3.6. COMPETITION AREA

The competition area has dimensions of 8 x 8 meters (minimum) or 10 x 10 meters (maximum) and shall be covered with tatami or similar acceptable material.

The competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. Around the safety area, a free area of 1m is to be expected.

A strip of visible color adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the center of the competition area 6 m apart to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip of adhesive tape of the same color.

3.7. INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition. In case of minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges the Kata execution will be interrupted and the athlete will be assisted by a doctor out of the competition area. The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new minor injury occurs to the same athletes during the second execution of Kata, the couple will be considered out of competition. In the case that minor injury happens after a forgotten technique, the couple will be considered out of competition.

3.8. SITUATIONS NOT COVERED BY THE RULES

When any situation arises which is not covered by these rules, it shall be dealt with and a decision will be given by the EJU Kata Commission.
