

EJU EUROPEAN JUDO CUPS

Update of rules and conditions during Covid pandemic

The ongoing pandemic still requires full application of the IJF Covid protocol (<https://www.ijf.org/ijf/documents/5>) in all Judo events. EJU is planning to restart the European Cups for Cadets, Juniors and Seniors with the following update of rules and conditions.

IJF Covid Protocol

IJF Covid protocol fully applies. All persons involved must be tested by PCR as required and stay all time in the bubble. Nobody in the bubble can have contact with persons from outside the bubble (fully valid also for all members of LOC).

PCR Testing

Testing must be organised with maximum speed (results with max. 6-8 hours waiting time) and can be charged with the participants. Price for testing to be on reasonable level and subject to approval by EJU.

Entries - Quota for Participation

Only National Federations can make entries for the events (**No clubs**) and must have a Covid Manager, who is fluent in English, and who is fully aware of all regulations.

To avoid overcrowding and to ensure safety in the event, quotas per NF have been set based on the participation in 2019 (See attached tables). Every EJU Member Federation can enter athletes according to the quota. Within the quota there are no further restrictions regarding gender or weight category. The Organising Federation has 25 extra places in addition to the quota mentioned.

If some quota remains unused by the judobase deadline (14 days before accreditation day), reallocation of places will be done by EJU together with the Organiser.

The quota of a Federation is also regarded unused, if the hotel payment is not done by the judobase deadline (then entries will be removed, and the quota is reallocated)!

National Federations from other continents can participate upon request, if there is unused quota.

Quota for team officials	Up 6 athletes: 3 coaches/officials
	8-12 athletes: 4 coaches/officials
	16-20 athletes: 5 coaches/officials
	24 athletes: 6 coaches/officials

Entry deadline

The deadline for judobase entries is 14 days before accreditation day (Thursday 24:00).

No late entries are possible. After the deadline only 1-1 replacements are possible.
