## 2. Regulations to minimize COVID-19 related risks

**ANYONE NOT FOLLOWING THE LOCAL GOVERNMENT AND IJF COVID-19 PROTOCOLS WILL BE REMOVED FROM THE EVENT AND SUBJECT TO DISCIPLINARY ACTION!**

The fundamental principle throughout all EJU events during the COVID-19 era is to Protect and Be Protected by wearing a mask, sanitising, distancing and respecting the recommendations of the "Protocol for resuming IJF events during the COVID-19 pandemic" hereafter referred to as the IJF COVID-19 Protocol. All participants have the mutual responsibility to protect each other.

Each National Federation delegation participant (athlete, coach, team official, physiotherapist, doctor, President etc.) must have read and understood the latest version of the IJF COVID-19 Protocol which can be found here: [covid.ijf.org](https://covid.ijf.org)

The COVID-19 vaccines provide protection to the vaccinated only against seriously falling ill, but not against getting infected or transmitting the virus to somebody else, even if the chances of the latter is very low. Therefore, until vaccination reaches a high level among the judo family and there are other effective preventive methods available, or until it is globally accepted to conduct activities without safety measures, all the participants of any EJU event must follow the same protocol (being PCR tested before the event, upon arrival, during the event (if necessary), wear a mask, wash hands, follow the bubble system, etc.) to protect and be protected, in the spirit of unity and solidarity which is in our community's moral code.

### COVID-19 DOCUMENTS

All pre-event COVID-19 documents must be uploaded on the IJF platform: [my.ijf.org](https://my.ijf.org) before travelling. If assistance is required please contact [covid@ijf.org](mailto:covid@ijf.org). Fourteen (14) days after the event, all data will be deleted.

### EVENT PARTICIPATION

To participate in an EJU event each delegate is responsible to follow:

- The rules to enter the host country
- The Local Organising Committee's (LOC) Government COVID-19 measures
- The IJF COVID-19 Protocol rules

The LOC Government measures may be stricter than those detailed in the IJF COVID-19 protocol or vice versa, the stricter rules **MUST** be followed.

### INSURANCE

It is the responsibility of the National Federation to ensure that in addition to their normal insurance they have sufficient insurance in place to cover any COVID-19-related costs, including repatriation. The LOC of the event and the EJU accept no liability for any claims relating to cancellation of the event due to COVID-19 or medical costs for any COVID-19 related illness that may affect a National Federation delegation member during the event.

### PLEASE NOTE:

**Each National Federation taking part must nominate a Covid-19 Manager who is fluent in English.**

**There can only be ONE (1) COVID-19 MANAGER PER FEDERATION!**

In case the validity expires during an event, the status is upheld until the last day of the event.

All vaccination types are accepted, not only EMA or WHO approved products to take part in the competition.

All Judoka must compete in IJF Approved Judogi (only red label allowed) and Judogis from all IJF suppliers are allowed (see [www.ijf.org](http://www.ijf.org) → <https://www.ijf.org/supplier-list>).

### Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label “APPROVED JUDO GI” with an optical code which cannot be falsified. The label will be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

### Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from [www.mybacknumber.com](http://www.mybacknumber.com) or [www.officialbacknumber.com](http://www.officialbacknumber.com) (Attention: production and delivery may take around 4 weeks).

The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

### Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for own sponsors of the Federation or Judoka or EJU Suppliers, **BUT not for any other Judogi supplier**.

The space on the **right chest** (5cm x 10cm) can be used by the Judoka for his/her own sponsor. The logo of a Judogi brand can only be used, if it corresponds with the brand of the Judogi itself and if it is an EJU Supplier. Further, no logo of a competing brand of the advertising reserved for the Federation can be used (unless approval granted by the Federation).

**Please note:** On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Detailed information is available on <http://www.eju.net/statutes>.

### Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

## 21. Responsibility of Federations

The competitors will compete under the full responsibility of their federations. Insurance: Each national federation is responsible for insuring its competitors against “injury and third part risk (public liability)” during the period of the event. ### Consent for Photography/Videos/Filming

This media may be obtained from National Federations and EJU. It will also be acquired by the EJU and its media partners from in and around all EJU event venues. Media could be used in print and digital media formats including print publications, websites, e-marketing, posters banners, advertising, film, broadcast, social media, education purposes and other purposes.
