6th EUROPEAN JUDO SCIENCE & RESEARCH SYMPOSIUM AND 5th SCIENTIFIC AND PROFESSIONAL CONFERENCE - „APPLICABLE RESEARCH IN JUDO“.

CONFERENCE/SYMPOSIUM GOALS

- ❖ To connect the science and research in Judo with Judo practice, i.e. to put the theories and research results directly in the function of development and the promotion of Judo
- ❖ To encourage collaboration and connection of all those who deal with and wish to engage in research in Judo and/or use the research results
- ❖ To establish a permanent network of researchers in Judo as well as those who use these results
- ❖ To educate coaches, competitors and other sport officials in Judo
- ❖ To highlight multidisciplinary aspects of Judo that can be studied not only from the standpoint of physical education and kinesiology, but also from the standpoint of anthropology, psychology, sociology, economics, management, history, education and other scientific disciplines
- ❖ To continuously improve the quality and value of our sport

6th EUROPEAN JUDO SCIENCE & RESEARCH SYMPOSIUM AND 5th SCIENTIFIC AND PROFESSIONAL CONFERENCE - „APPLICABLE RESEARCH IN JUDO“.

GENERAL INFORMATION

- ❖ Conference/Symposium is conceived as international meeting of Judo experts in all fields (scientific and professional)
- ❖ Any judo coach, expert or researcher involved in Judo may submit a proposed contribution for consideration
- ❖ Contributions can be in a form of “academic paper” or “professional viewpoint”
- ❖ All papers will be published in Conference/Symposium proceedings book
- ❖ Authors are responsible for the context and legal aspects of the contributions. All authors guarantee that the article has not been published previously, or it is not under consideration for publication elsewhere, either in part or in whole, and if the article is accepted it will not be published elsewhere in the same form, in English or in any other language
- ❖ Official Language: English
- ❖ By submitting the contribution, participants will give EJU rights to publish their papers on the EJU website and in the proceedings book
- ❖ Conference/Symposium will consist of oral presentation and practical presentations of research (in dojo). By submitting the contribution, the author must select the mode of presenting their paper.
