COMPETITION OUTLINES

WORDS OF WELCOME

Dr. László Tóth
President
European Judo Union

Dear Judo Family and Friends,

Let me convey to you my heartfelt welcome to the European Judo Championships Kata 2024, in Sarajevo. Once again it is our pleasure to return to Bosnia and Herzegovina with a judo event such as this one, which serves as a celebration of judo's refined artistry and disciplined practice of Kata.

The Judo Kata competitions hold a unique position within our tradition, offering a platform to showcase the meticulous technique, great skills, and flawless execution inherent in Kata. We see a great future in children Kata as well and I believe that an event such as this one will give new momentum and motivation to Kata practicing at all ages, so we can have more events like this in our future.

May all pairs of judokas have precision and harmony in their collaborative efforts to achieve a synchronized performance that reflects the essence of our sport's principles.

We express our profound gratitude to the National Judo Federation of Bosnia & Herzegovina for their steadfast dedication in orchestrating this event among others, within just a few days.

To all participants, coaches, officials, volunteers, and supporters, your commitment to Kata is truly commendable. Your pursuit of excellence and adherence to the principles of discipline, respect, and harmony exemplify the highest ideals of judo.

I am wishing everyone a prosperous and fair competition, good health, and may all of you have a great experience in Sarajevo!

Yours in judo.

Dear Judo Friends,

On behalf of the Bosnia and Herzegovina Judo Federation, I would like to welcome you to the Kata European Judo Championships 2024, one of the biggest official sports manifestation this year in Bosnia and Herzegovina.

I am honoured to invite all distinguished members of the European Judo Union to our beautiful country and The City of Sarajevo where we organized Kata European Judo Championships 2024 on June 10. – 14.

Our Federation and all persons involved in the technical organization, as always, will do their best to make the event go well, especially when it is known that this is the we first time organized event for the kata.

Therefore, the Judo Federation of Bosnia and Herzegovina is a relatively young member of the IJF and EJU, but we are proud of the fact that we have so far successfully organized a large number of European Championships, European Cups for seniors and juniors, Europe Open and for the first time we have the honor and pleasure to organize Kata European Judo Championships 2024.

I would like to thank Mr. Laszlo Toth, President of the European Judo Union for the confidence shown in the assignment of the event and the local Authorities for the support provided to the Organizers

Ognjen PAVLOVIC
President Bosnia &
Herzegovina Judo
Federation

4. JUDGES

EUROPEAN JUDO CHAMPIONSHIPS KATA SENIORS, JUNIORS, CADETS, ENBU JUDO AND ADAPTED JUDO

The competition will be judged by EJU qualified Kata judges.

The EJU Kata Commission will select the Judges for these Championships by name, based on the results of the 2024. The federations will get the information in time. After the nomination of the judges, the federation must confirm the participation to EJU Head Office by the deadline stipulated in the letter. Further, the judge must be entered by his/her federation like every other delegate in JUDOBASE.

4.1. JUDGES' MEETING

All judges have to attend the technical meeting in the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

4.2. POINT SYSTEM

EUROPEAN JUDO CHAMPIONSHIPS KATA SENIORS, JUNIORS & CADETS ENBU JUDO

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique/Major mistake – score is zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a forgotten technique or major mistake, the minimum score has to be 1.

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the correction value a " + " or a " - ".

In the Nage-no-Kata right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins those who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both are placed 3rd after the above mentioned criteria, the Kata will be repeated in order to assign the medal.

JUNIOR KATA EUROPEAN JUDO CHAMPIONSHIPS

Even if the Kata is not complete, the pairs have to execute the closing ceremony.

4.3. ENBU JUDO

The show will be judged according to the following criteria:

- Efficiency/Precision
- Difficulty level

- Variety of techniques
- Choreography
- Originality
- Tradition / spirit

The total points accumulated will be the final result.

Accessories: only traditional Kata weapons are allowed during the demonstration.

4.4. SYSTEM OF JUDGING

EUROPEAN JUDO CHAMPIONSHIPS KATA

The number of judges is five* and they will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same nation. The position of the five judges will be the same for the whole competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple to the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

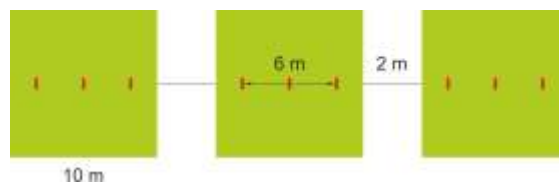

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

4.5. COMPETITION AREA

The competition area has dimensions of 10 x 10 meters (or 8 x 8 meters minimum) and shall be covered with tatami or similar acceptable material.

The competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. Around the safety area, a free area of 1m is to be expected.

A strip of visible colour adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the center of the competition area 6 m apart to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip of adhesive tape of the same colour.

4.6. INJURY, ILLNESS and ACCIDENT

In case of Minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges, the Kata execution will be stopped, and the athlete will be assisted by a Doctor out of the competition area, if needed. The competition will continue, and the pair will repeat entirely the Kata after the last pair has performed.

In case another minor injury happens to the same athlete during the second performance of the kata or after a forgotten technique or a major mistake, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking will be assigned to them in the pool or in the final. If ranking then allows them to participate in the final, the next pair in the pool will participate in the final.

When Tori or Uke is unable to continue to perform the kata because of an injury, illness or accident during the execution of the kata, the pair will be given a score of 0 for the technique where the injury occurred as well as for the following techniques including the closing ceremony. A ranking

will be assigned to them in the pool or in the final. If ranking them allows them to participate in the final, the next pair in the pool will participate in the final.

4.7. SITUATIONS NOT COVERED BY THE RULES

When any situation arises which is not covered by these rules, it shall be dealt with and a decision will be given by the EJU Kata Commission.
